This luxury chalet features a contemporary, uncluttered decor that highlights an interior architecture in harmony with the landscape. A family chalet redesigned by the new generation, the Lady Mijane chalet is open to the outdoors, large bay windows bring in natural light that complements the materials used throughout the chalet. The omnipresent wood and thick fabrics typical of Alpine construction create a cozy environment in which to spend your vacations.

The 12 guests of the Lady Mijane chalet will find their haven of peace in one of the 6 bedrooms of this sublime chalet. Adults can choose between the 3 double bedrooms and the Master en suite for moments of intimacy and calm after a long day on the slopes, while younger guests can take refuge in their bunk-bedded room or in their own dedicated area.

The living space is warm and welcoming, with 2 TV lounges offering a wide choice of programs, separated by a fireplace. The kitchen opens onto the dining room, allowing you to share a convivial moment at every meal, while enjoying the south-facing terrace. The terrace offers a magnificent unobstructed view of our mountains.
