Description

Villa Masia, extends over a small hectare of Provencal essences and scents, rustling with the song of the cicadas. A meticulously maintained paradise where every detail has been thought of for pleasure. The automatic gate reveals the garden, park the car and take the avenue of lavender and Florentine trees, choose the outdoor lounge which you find most welcoming depending on the time of day and have a glass of chilled wine or an espresso, you have arrived, let yourself be won over by the sweetness of life in the south of France.

Six bedrooms, each with private bathroom and WC , a very large living room with three sofas around the fireplace and a small living room for those who prefer to isolate themselves, finally, an independent TV room and away with plasma screen and video library. Indoor / outdoor Wi-Fi 4G internet connection.

The huge kitchen is an exceptional place of conviviality with a central piano where we meet with friends to prepare dinner while tasting the famous wines of the region. Pata negra, Governor's cuvée and delicious cheeses, exchange of recipe ideas, replicas with the accent of Pagnol, bursts of laughter and projects of idleness or sporting getaways are great moments of happiness. Bar stools around the piano, two independent sinks, two dishwashers, top-of-the-range Gaggenau equipment, induction hob, oven, steamer, microwave, dish warmer, coffee machine and a table for four people, this kitchen is a gourmet lounge. The household appliances are very complete: American refrigerator, second refrigerator in the laundry room, Nespresso and Gaggenau coffee machines, Magimix robot, toaster, kettle, blender ...
All with a view of olive trees, Florentines, lavender and wisteria.

A meticulously maintained paradise where every detail has been thought of for pleasure. You can have your breakfast on the large terrace, on one level with the kitchen and the living room. Tables welcome you, in the shade of the wisteria or near the herb garden under the Yuccas, unless you prefer to sit under the acacia. A Weber gas babecue is at your disposal under the courtyard near the large table to quickly and easily prepare your grills. Near the swimming pool, an outdoor shower, a pool house with toilets and the large covered Moroccan living room. Twelve sun loungers, coffee tables and umbrellas are arranged around the pool. The swimming pool is heated and it is protected by an electric shutter. A ping pong table, pétanque balls and various pool games are at your disposal.

The price includes change of bath and pool linen once a week (If guests wish to have them changed more frequently, it can be arranged at an additional cost), one change of bed linen for stays of 2 weeks (If guests wish to have them changed more frequently, it can be arranged at an additional cost), weekly cleaning (2h/day from Monday to Friday), cleaning at the end of the stay, welcome basket on arrival, samples in the bathrooms, the air-conditioning in the bedrooms and the heating of the swimming pool.
During cold season, it is possible to use the heating of the house (extra cost).

The villa is located near the city of Avignon, well known for its festival and the Avignon bridge! 10 minutes away you have Isle-sur-la-Sorgue, the international capital of second-hand goods and antique shops after London and Paris. Further east towards the Luberon, you will find Gordes, Ménerbes, Roussillon, Bonnieux, Lourmarin, magical Provençal villages whose impressionists have conveyed the sweetness of life so well. To the north, Vaison la Romaine, Bédouin, the famous Ventoux to name only the best known, but the region is full of wonderful villages, you just have to discover them.
