Nestled in the heart of Salento, in the charming medieval village of Specchia Gallone, Palazzo Fiorente is an elegant, carefully restored 18th-century residence. This distinctive property combines the charm of traditional Apulian architecture with refined contemporary comfort. Just a few kilometres from Otranto and Castro Bay, it serves as an ideal base for exploring the region's treasures. With its spacious living areas, ten bedrooms with private bathrooms, a 2,000m² garden, and a beautiful swimming pool, the villa offers an elegant and welcoming setting for gatherings with family or friends.

The villa features magnificent living spaces where the original architectural elements have been carefully preserved. Upon entering, a spacious foyer with impressive vaulted ceilings opens onto the garden and floods the space with natural light. The stone staircase and its elegant ironwork bear witness to the home's rich history.

On the first floor, the fully equipped kitchen blends modern amenities with historic features, including an antique fireplace and a traditional well that is still in working order. The warm and comfortable living room invites you to relax with its inviting sofas and TV area, ideal for sharing pleasant moments with family or friends.

The outdoor areas are among the property's main attractions. The 2,000m² private garden offers a peaceful, lush setting perfect for relaxation. A pleasant, shaded terrace under a pergola allows you to enjoy al fresco dining and fully savor the mild Mediterranean climate.

The swimming pool 16 x 5m - Depth - 1.2 to 1.8m occupies a central spot in the heart of the garden and offers a true oasis of coolness during hot summer days. Several furnished areas invite you to alternate between sun and shade as you please. From the terrace and the upstairs balcony, you can admire the village rooftops and the authentic atmosphere of this unspoiled part of Salento.

The property does not have private parking, however, it is easy to park on the street, with about ten spaces available right next to the house.

The property is located in the peaceful village of Specchia Gallone, part of the municipality of Minervino di Lecce, in the heart of the Salento region.
